I was able to recover and I wasn't in constant pain. I would never have addressed ongoing health problems if I wasn't able to take the time off work.

– Oskara C.

It meant everything to me and to my wife; it meant everything to us. It meant that we were able to just exist with our little new family and to adjust to everything and not have to worry about the money.

– Alex H.

I am grateful to the taxpayers that covered me, and when their turn comes, I am happy to pay whatever tax it is that helps them out. It's an important program.

– Paula G.

It's a fantastic program. [It can be] sad that we have to use it. But if you are in need, it's a fabulous program. I can't say enough.
