**Agency:** Employment Security Department

**Title of rule and other identifying information:** (describe subject) Corporate Officer Cross-Reference Cleanup

This rulemaking will update the cross-reference in WAC 192-300-170(2)(b) from a repealed statute to the current statute.

**Purpose of the proposal and its anticipated effects, including any changes in existing rules:** The purpose of this proposal is to amend WAC 192-300-170 to remove a cross-reference to RCW 23A.08.470, which was repealed in 1990. The cross-reference will be updated to the current statute, RCW 23B.08.400.

**Reasons supporting proposal:** The proposal is needed to update the rule to reference the current statute, rather than a statute that was repealed in 1990.

**Statutory authority for adoption:** RCW 50.12.010 and 50.12.040.

**Statute being implemented:** RCW 50.12.010.

- Relates only to internal governmental operations that are not subject to violation by a person;
- Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;
- Corrects typographical errors, make address or name changes, or clarify language of a rule without changing its effect;
- Content is explicitly and specifically dictated by statute;
- Have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or
- Is being amended after a review under RCW 34.05.328.

**Expedited Repeal - Which of the following criteria was used by the agency to file notice:**

- The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;
- The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;
- The rule is no longer necessary because of changed circumstances; or
- Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

**Explanation of the reason the agency believes the expedited rule-making process is appropriate pursuant to RCW 34.05.353(4):** The proposed change updates a cross-reference to a repealed statute and does not materially change the amended rule.
