Purpose of the proposal and its anticipated effects, including any changes in existing rules: WAC 192-100-070 currently defines a conditional payment as an unemployment benefit paid after an individual has already received one benefit payment but "during a period in which the Department questions [the individual's] continued eligibility for benefits." More clarity is needed to objectively define the beginning and end of this period during which the Department is questioning the individual's continued eligibility for benefits. This rulemaking will also combine the definitions in WAC 192-100-070 and WAC 192-120-050 into a single rule, WAC 192-100-070.

Reasons supporting proposal: This proposal is necessary to provide clarity to claimants regarding the circumstances under which the Department pays benefits on a conditional basis.

Statutory authority for adoption: RCW 50.12.010, RCW 50.12.040, RCW 50.20.170.

Statute being implemented: RCW 50.20.170.
