- 31 days after filing.
 Other (specify) October 10, 2017 (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The rule allows employers whose workers will be temporarily laid off for more than four, but fewer than eight weeks to initiate a request for standby for up to eight weeks. Approval of standby waives the worksearch requirement, which allows employers a better opportunity to retain a skilled workforce. It also streamlines agency workload by eliminating the need for a supplemental request when claimants have been approved for four or fewer weeks of standby and the employer anticipates the expected return to work date will be longer.
