Title of rule and other identifying information: (describe subject) Updating a cross-reference in WAC 192-150-180 Quitting part-time work—RCW 50.20.050(4)

Purpose of the proposal and its anticipated effects, including any changes in existing rules: WAC 192-150-180 currently references RCW 50.20.050(3). Laws of 2021, c. 251 (ESSB 5190) added a new subsection (3) to RCW 50.20.050 and renumbered the previous subsection (3) as subsection (4). This proposal would similarly replace the reference to RCW 50.20.050(3) with a reference to RCW 50.20.050(4).

Reasons supporting proposal: Current rules refer to a subsection that has been changed. The reference should be updated to reference the correct relevant subsection.

Statutory authority for adoption: RCW 50.12.010 and RCW 50.12.040 provide general rulemaking authority to the Employment Security Department. RCW 50.20.050 addresses disqualifications for quitting part-time work when an individual was simultaneously employed in a part-time job and a full-time job.

Statute being implemented: RCW 50.20.050

- Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;
- Corrects typographical errors, make address or name changes, or clarify language of a rule without changing its effect;
- Content is explicitly and specifically dictated by statute;
- Have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or
- Is being amended after a review under RCW 34.05.328.

Expedited Repeal - Which of the following criteria was used by the agency to file notice:

- The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;
- The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;
- The rule is no longer necessary because of changed circumstances; or
- Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

Explanation of the reason the agency believes the expedited rule-making process is appropriate pursuant to RCW 34.05.353(4): The expedited rule replaces a reference to an amended statute with a reference to the correct relevant statute..
