Purpose: The rulemaking is proposed in order to provide support to employees and employers impacted by the COVID-19 virus across the state. The emergency rule treats certain job separations for people who cannot telework and who meet other criteria related to COVID-19 as a lack of work. This rule corrects a drafting error in a prior emergency rule filed under WSR 20-09-049.

Statutory authority for adoption: RCW 50.12.040, RCW 50.20.180

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: In Proclamation 20-05, Governor Inslee proclaimed a State of Emergency in Washington regarding COVID-19. The proclamation directs agencies and departments to support the Department of Health and local officials in alleviating the impacts to people, property, and infrastructure across the state.
