ADDITIONAL COMMENTS

The TAA Program in Washington State, administered by the Employment Security Department, remains committed to supporting displaced workers. Recent initiatives emphasize data integrity, centralized leadership, and ongoing staff training. The agency Data Integrity unit created a performance database and training on correct data entry, empowering TAA staff to enter customer data accurately, enhancing visibility and efficiency. Centralized leadership from the TAA Program Operator, in collaboration with local office supervision, has created a leaner service delivery model that ensures quick, efficient assistance to TAA case managers, resulting in better customer engagement and service provision. Training plans, data reviews, and payment processes are clarified and approved in less time, reducing wait times. The agency TRA unit leadership provides ongoing training for TRA adjudicators, ensuring they are ready for inquiries from formerly certified TAA workers and program reauthorization.

¹Participant information is based on data given at the point of entry into the program.
²Barriers to Employment are determined at the point of entry into the program.
