

Employers: Watch for notifications from SIDES E-Response

You are signed up to receive notifications from SIDES E-Response – a website you can use to respond to unemployment insurance requests from employees.

SIDES E-Response will now send you notifications when a former employee applies for unemployment benefits.

These notifications will ask you to log in to uisides.org and to provide the following information:

- Federal Employer Identification Number (FEIN) without the hyphen.
- ESD number.
- SIDES personal identification number (PIN).

If you who don't know this information, log in to [eServices](https://eservices.wa.gov) at esd.wa.gov and select "SIDES E-Response" on the bottom-left of the page.

For questions about SIDES (State Information Data Exchange System) E-Response, go to our Request for Separation Information [page](#).

For questions about logging into eServices, contact us at ESDGPSAWissues@esd.wa.gov or at 855-682-0785.
