1. Applies to Title I only. Individuals for whom it is unknown whether their employment in the 2nd quarter after exit was related to the training they received are included in this measure and are considered to be a negative outcome for the purposes of this calculation.

2. This indicator also includes those who entered into a training or education program for the Youth program.

3. Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

4. Barriers to Employment are determined at the point of entry into the program.

* Cells are populated based on the combination of the corresponding specifications for that row and column. For example, the cell in the row Sex: Female and the column Employment Rate (Q2) Num will be the count of female participants in the Employment Rate (Q2) Numerator for that report period.

Public Burden Statement (1205-0526)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is required to obtain or retain benefits (Workforce Innovation and Opportunity Act, Section 185(a)(2)). Public reporting burden for this collection of information is estimated to range between 240 and 360 minutes which averages 300 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed 9169 application to this address.

Do NOT send the completed application to this address.

3. Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

4. Barriers to Employment are determined at the point of entry into the program.

* Cells are populated based on the combination of the corresponding specifications for that row and column. For example, the cell in the row Sex: Female and the column Employment Rate (Q2) Num will be the count of female participants in the Employment Rate (Q2) Numerator for that report period.

Public Burden Statement (1205-0526)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is required to obtain or retain benefits (Workforce Innovation and Opportunity Act, Section 185(a)(2)). Public reporting burden for this collection of information is estimated to range between 240 and 360 minutes which averages 300 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed 9169 application to this address.

Do NOT send the completed application to this address.

1. Applies to Title I only. Individuals for whom it is unknown whether their employment in the 2nd quarter after exit was related to the training they received are included in this measure and are considered to be a negative outcome for the purposes of this calculation.

2. This indicator also includes those who entered into a training or education program for the Youth program.

3. Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

4. Barriers to Employment are determined at the point of entry into the program.

* Cells are populated based on the combination of the corresponding specifications for that row and column. For example, the cell in the row Sex: Female and the column Employment Rate (Q2) Num will be the count of female participants in the Employment Rate (Q2) Numerator for that report period.
